Instructions/ návod:

Pupils are given cards and run about the class to ask their questions. They have to find a perfect match with the answer. Then they have pairs and can start another activity in given pairs.

Žáci dostanou kartičky a běhají po třídě a ptají se spolužáků tak, aby se našla dvojice, která k sobě patří .

Pak mohou začít pracovat ve dvojicích podle zadaného tématu.
